

At The Health Hub we pride ourselves on providing our clients with the best resources, intervention and facilities. To ensure we can continue to provide these services, we are increasing some of our fees for the first time in over 5 years.

The increased costs are a result of increases in:

- Resources and Intervention equipment
- Cleaning due to COVID19
- Insurances
- Rent
- Supplies
- Staffing costs

Please see below the new fee structure:

Private Health
